MEMORANDUM FOR: Chairman, United States Intelligence Board
FROM : Chairman, Guided Missile and Astronautics
Intelligence Committee
Chairman, Scientific Intelligence Committee
SUBJECT : Briefing Note on the GMAIC-SIC Report
[REDACTED]

25X1B

1. This memorandum is a briefing note in connection with Item 4 of the USIB agenda which is to be taken up in a restricted session of the United States Intelligence Board on 23 August 1960. Recommendations for action are stated in paragraph 3 and 4.

2. The members of GMAIC and SIC have reviewed the Working Group report (prepared pursuant to USIB-M-94, dated 26 April 1960), and in general agree with its conclusions. There are some variations in the degree of confidence concerning certain of the Working Group Conclusions, especially 3 and 7: but these are not critical, and are not expected to be discussed at the USIB. The important conclusions of GMAIC/SIC are contained in paragraph 2 of their report to USIB.

This material contains information affecting the national defense of the United States within the meaning of the espionage laws, Title 18, USC, Sec. 793 and 794, the transmission or revelation of which in any manner to an unauthorized person is prohibited by law.
